No new fire areas to be created. If the fire areas are insufficient, please approach the duty warden who will endeavour to supply portable alter fires. The duty warden will advise on the disposal of wood ash.

Please ensure that alter fires on camping sites are only used for cooking and should be no bigger than needed for cooking.

Other camp fires can be held in the two camp fire circles but only if an appointed Leader is present.

Also please take notice of any "**FIRE BAN**" signs in cases of long hot, dry weather.

- **FIREWOOD** – We try to provide as much natural wood as possible. This relies very much on the generosity of local tree surgeons and the site team whose job it is to chop it into usable pieces. Please take care to use wood sensibly and as economically as possible. We do not take kindly to wasteful burning! Trees (even dead ones) must not be cut unless with the express permission of the duty warden. Pallet or treated wood is NOT to be used.
